7<sup>th</sup> February 2022

### **Launch of NSPAUK website**

Monday 7<sup>th</sup> February 2022 marks the third-year anniversary of the National Sikh Police Association UK since its inception in 2019. The association, led by a dedicated group of volunteers continues to grow and during the course of today's anniversary we are pleased to announce the launch of our new website!

The website, complimented by our social media platforms offers quick and easy access to essential information and features that offer a more comprehensive understanding of the association and our work. We will continue to add content to our website to help it grow and keep viewers informed on our current and upcoming workstreams.

Harvinder Singh Rai, President of the NSPAUK has said "It gives me immense pleasure to see the NSPAUK moving forward and establishing a permanent online presence with the new website. The site will continue to grow and provide relevant information ranging from recruitment and promotion opportunities to community engagement and reassurance both here in the UK and abroad."

The NSPAUK would like to thank IT designer Tej Singh from [www.tsdesigns.co.uk](http://www.tsdesigns.co.uk) in helping to bring the website into fruition.
